Recruiter Data-Collection Recommendations

For the highest-uncertainty stages

Demonstration dataset -- not real client historical data.

Background Check -- CRITICAL_INTELLIGENCE_GAP

dropoff_rate=48%, behavior_penetration=43%, information_gap_rate=100%

Recommendation: capture more structured recruiter notes at this stage before drawing conclusions; do not infer missing information.

Offer Extended -- CRITICAL_INTELLIGENCE_GAP

dropoff_rate=16%, behavior_penetration=18%, information_gap_rate=100%

Recommendation: capture more structured recruiter notes at this stage before drawing conclusions; do not infer missing information.

Offer Accepted -- CRITICAL_INTELLIGENCE_GAP

dropoff_rate=16%, behavior_penetration=31%, information_gap_rate=100%

Recommendation: capture more structured recruiter notes at this stage before drawing conclusions; do not infer missing information.

Onboarding Docs Sent -- MODERATE_GAP

dropoff_rate=10%, behavior_penetration=27%, information_gap_rate=100%

Recommendation: capture more structured recruiter notes at this stage before drawing conclusions; do not infer missing information.
